

The Light That Has Lighted the World

George Harrison

Ive heard how some people, have said
That Ive changed
That Im not what I was
How it really is a shame
The thoughts in their heads,
Manifest on their brow
Like bad scars from I'll feelings
They themselves arouse
So hateful of anyone that is happy
Or free
They live all their lives,
Without looking to see
The light that has lighted the world

Its funny how people, just wont
Accept change
As if nature itself - theyd prefer
Re-arranged
So hard to move on
When you're down in a hole
Where there's so little chance,
To experience soul

Im greatful to anyone,
That is happy or free
For giving me hope
While Im looking to see

The light that has lighted the world
