

Think for Yourself

George Harrison

Ive got a word or two
To say about the things that you do
Youre telling all those lies
About the good things that
We can have if we close our eyes

Do what you want to do
And go where you're going to
Think for yourself
Cause I wont be there with you

I left you far behind
The ruins of the life that you have in mind
And though you still can't see
I know your minds made up
Youre gonna cause more misery

Do what you want to do
And go where you're going to
Think for yourself
Cause I wont be there with you

Although your minds opaque
Try thinking more if just for your own sake
The future still looks good
And youve got time to rectify
All the things that you should

Do what you want to do
And go where you're going to
Think for yourself
Cause I wont be there with you

Do what you want to do
And go where you're going to
Think for yourself
Cause I wont be there with you

Think for yourself
Cause I wont be there with you
