

Wake Up My Love

George Harrison

Here I go again
Hear that knockin wont you let me in
Only want that same old thing
Yet its me here ring, ring, ring

I want your love
Wake up my love
And let it in

Well you know its me out here
Cant give up now let us make that clear
All Ive had the run around
Though Im barking like some hound

I want your love
Wake up my love
And let it in

I want your love
Wake up my love
And let it in

My lifes been so many ways
Too much darkness gets me crazed
All around us people fight
Christ Im looking for some light

Inside your love
Wake up my love
And let it in

I dont have no friends of mine
Who can swing me down that vine
Not much sense in what I do
That is why Im calling you

Inside my love
Wake up my love
And let it in
I want your love
Wake up my love
And let it in
I want your love
Wake up my love
And let it in
