Wake Up My Love

George Harrison

Here I go again Hear that knockin wont you let me in Only want that same old thing Yet its me here ring, ring, ring

I want your love Wake up my love And let it in

Well you know its me out here Cant give up now let us make that clear All Ive hads the run around Though Im barking like some hound

I want your love Wake up my love And let it in

I want your love Wake up my love And let it in

My lifes been so many ways Too much darkness gets me crazed All around us people fight Christ Im looking for some light

Inside your love Wake up my love And let it in

I dont have no friends of mine Who can swing me down that vine Not much sense in what I do That is why Im calling you

Inside my love Wake up my love And let it in I want your love Wake up my love And let it in I want your love Wake up my love And let it in
