

# Woman Don't You Cry for Me

George Harrison

Im gonna leave you here  
Im gonna leave you at the station  
Ive got a long way to go baby  
Woman dont you cry for me

Now I cant take no more  
Now I dont need no complication  
Ive got a long way to go baby  
Woman dont you cry for me

Theres no one place I want to be  
Attachment only hurts you  
Take care of yourself baby  
Cmon wont you let me be

Theres just one thing I got to see  
Thats the lord got to keep him in sight  
Take care of yourself baby  
Cmon wont you let me be

Theres no one place I want to be  
Attachment only hurts you  
Better take care of yourself baby  
Cmon wont you try to see

There is just one thing I got to see  
Thats the lord got to keep him in sight  
Take care of yourself baby  
Cmon wont you let me be

Now baby heres the door  
I dont need no aggravation  
Ive got a long way to go baby  
Woman dont you cry for me

Im gonna leave you here  
Im gonna leave you at the station  
Ive got a long way to go baby  
Woman dont you cry for me

Ive got a long way to go baby  
Woman dont you cry for me
