

# Color Of The Blues

George Jones

Up above me are the sky  
Like the twinkle in your eyes  
These things are the color of a blue.

In the mail your letter came  
Sayin' you can take the looks the same?  
Blue must be the color of the blues.

Bluebirds sitting in the tree  
Seems to sympathize with me  
For he's not singin' like he used to do.

The pretty waters in the sink  
Feel as cold as you left me  
Yes, blue must be the color of the blues.

There's a rainbow overhead  
With more blue than gold and red  
Blue must be the color angels chose.

A blue dress you proudly wore  
When you left to return no more  
Blue must be the color of the blues.

Blue days come and blue days go  
How I feel nobody knows  
Life is mighty empty without you.

There's a blue note in each song  
That I sing since you're gone  
Yes blue must be the color of the blues...
