

Divorce Or Destroy

George Jones

We've lived together for a long time
But now the love is gone we once knew
We're old enough to know we can't live life this way
And young enough to start with somebody new.

So it's divorce or destroying each other
Which one of the two should we chose
You say in your heart there's no love left for me
And in my heart there's no love left for you.

We stay together for the children
Soon the children will be grown and be gone
Yet we keep on destroying each other
And to live life this way just must be wrong,

So it's divorce or destroying each other
Which one of the two should we chose
You say in your heart there's no love left for me
And in my heart there's no love left for you.

In my heart, no love left for you
