Don't be angry with me darling if I fail to understand All your little whims and wishes all the time Just remember that I'm dumb I guess like any foolish man And my head stays sorta foggy 'cause you're mine.

Well, I recall the first time that I flirted with you dear When I jokingly said come and be my bride
Now the time has turned the pages it's the sweetest joke on ear th

That I have you dear forever by my side.

Maybe someday you're gonna hurt me I've been hurting of before Only God can know and time alone will tell But in the mean time I'll be loving you with all my heart and soul

And pray God to let it last if it's his will.

So don't be angry with me darling if I fail to understand All your little whims and wishes all the time Just remember that I'm dumb I guess like any foolish man And my head stays sorta foggy 'cause you're mine...
