

Don't Do This To Me

George Jones

I've tried hard in pleasin', you tell me you're leavin'
I must know the reason, don't do this to me
My loves like a flower that grows every hour
It's my only power, don't do this to me.

Don't squeeze it, don't leave it, why don't you believe it
It's made you, it's pleased you, but say don't you see
You're free to abuse it, yes, you can accuse it
But please don't excuse it, don't do this to me.

Don't treat me so wrongly for I love you only
Don't leave me so lonely, don't do this to me
Cause I love you honey, much more than all money
Don't think that it's funny, don't do this to me.

Don't squeeze it, don't leave it, why don't you believe it
It's made you, it's pleased you, but say don't you see
You're free to abuse it, yes, you can accuse it
But please don't excuse it, don't do this to me.

Don't breathe it, don't leave it, why don't you believe it
It's made you, it's pleased you, but say don't you see
You're free to abuse it, yes, you can accuse it
But please don't excuse it, don't do this to me
