

Don't Let the Stars Get in Your Eyes

George Jones

Don't let the stars get in your eyes
Don't let the moon break your heart
Love blooms at night in daylight it dies
Don't let the stars get in your eyes
Oh, keep your heart for me for someday
I'll return and you know you're
The only one I'll ever love.

Too many nights
Too many stars
Too many moons to change your mind
If I'm gone too long don't forget where you belong
When the stars come out remember you are mine.

Don't let the stars get in your eyes
Don't let the moon break your heart
Love blooms at night in daylight it dies
Don't let the stars get in your eyes
Oh, keep your heart for me for someday
I'll return and you know you're
The only one I'll ever love.

Too many miles
Too many days
Too many nights to be alone
So please keep your heart while we're apart
Don't you linger in the moonlight while I'm gone.

Don't let the stars get in your eyes
Don't let the moon break your heart
The love blooms at night in daylight it dies
Don't let the stars get in your eyes
Oh, keep your heart for me for someday
I'll return and you know you're
The only one I'll ever love.

You're the only one I'll ever love
