

I Can't Change Over Night

George Jones

There's a love in my heart that I'd been keepin'
I don't know how to give it away to someone new
Oh, you walked out of the door and left me weeping
And I can't change overnight from loving you.

If I can't walk with you, then I'll walk all alone
Till my feet touch the ground then that's where I'll call home
I don't like all this loneliness that I go through
But I can't change overnight from loving you.

All you say to forget the lips I used to kiss
Find someone to take the place of a love I once knew
Yes, you walked out the door and left me weepin'
And I can't change overnight from loving you.

If I can't walk with you, then I'll walk all alone
Where my feet touch the ground then that's where I'll call home
I don't like all this loneliness that I go through
But I can't change overnight from loving you...
