

I Can't Find It Here

George Jones

You know that I'm a humble man, Lord
And I try just as hard as I can, Lord
I search this life for joy but mostly I found grief
So leave me home for I can't find it here.

Leave me home for I can't find it here
Everything I've ever wanted always disappeared
Take my hand and with your hand dry my tear
And leave me home for I can't find it here.

For all my plans and schemes have called on me
For a simple man there's not much else for me to be
And you've done your share Lord but I'm just weak and full of fear
So leave me home for I can't find it here.

Leave me home for I can't find it here
Everything I've ever wanted always disappeared
Take my hand and with your hand dry my tear
And leave me home for I can't find it here.

Leave me home for I can't find it here...
