

I Can't Get There from Here

George Jones

I'm looking for the town where sadness can't be found
Where happiness is blooming all year 'round
A place where there's no heartaches and no one cries a tear
But they all say I can't get there from here.

Surely there's a place to rest a tortured mind
Oh, what I'd give if I could find
A place where there's no memory of all those wasted years
But they all say I can't get there from here.

Surely there's a place to rest a tortured mind
Oh, what I'd give if I could find
A place where there's no memory of all those wasted years
But they all say I can't get there from here.

They all say I can't get there from here...
