## I'd Rather Die Young

**George Jones** 

I'd rather die young than grow old without you So don't ever leave me whatever you do Though others may tempt you and tell you they care You'll find only sorrow in a secret affair I'd rather die young than grow old all alone Please tell me you love me let me call you my own To see someone's picture where my picture hung Believe me my darling I'd rather die young Don't leave me never leave me please don't leave me never leave me

I'd rather die young than grow old all alone...
