

# I Love You Because

George Jones

I love you because you understand, dear  
Every single thing I tried to do  
You're always there to lend a helping hand, dear  
I love you most of all because you're you.

No matter what the world may say, about you  
I know your love will always be true  
I love you for the way you never doubt me  
But most of all I love you 'cause you're you.

I love you because my heart is lighter  
Every time I'm walking by your side  
I love you because the future's brighter  
The door to happiness you've opened wide.

No matter what  
I know your heart will always be true  
I love you for a hundred thousand reasons  
But most of all I love you 'cause you're you.
