

# I'm Not Ready Yet

George Jones

I've always said someday  
I was gonna leave you.  
Some April when all the land is wet.  
Some spring, summer, fall or maybe winter.  
I'll leave someday but I'm not ready yet.

I know I should of left the day  
I knew your love was dyeing.  
But I passed up every date  
That I ever set.  
But I know I'll leave  
When my heart tells me it's ready.  
But I'm still around, but I'm not ready yet.

Yah know I must have left you  
A hundred times but you don't know that.  
'Cause I was afraid you'd laugh  
When you found out just how far I'd get.  
But you didn't, and you don't.  
I know you aint gonna ever.  
And someday I'll go, but I'm not ready yet.

I know I should of left the day  
I knew your love was dyeing.  
But I passed up every date  
That I ever set.  
But I know I'll leave  
When my heart tells me Lord willing  
But I'm still around, but I'm not ready yet.  
But I'm still around, 'Cause I'm not ready yet.
