

# I Stayed Long Enough

George Jones

Accident'ly in your arms  
That's all it took  
Knowing how you need and want me  
With just one look.

To leave you now is something  
You should know that I can't do  
I stayed long enough  
To fall in love with you.

Long enough to know that  
What I feel won't go away  
Just lookin' won't be near enough  
After today.

Everything I need is  
Everything I see in you  
I stayed long enough  
To fall in love with you.

Oh, long enough to know that  
What I feel won't go away  
And just lookin' won't be near enough  
After today.

Everything I need is  
Everything I see in you  
I stayed long enough  
To fall in love with you.

I stayed just long enough  
To fall in love with you...
