## **I Stayed Long Enough**

**George Jones** 

Accident'ly in your arms
That's all it took
Knowing how you need and want me
With just one look.

To leave you now is something You should know that I can't do I stayed long enough To fall in love with you.

Long enough to know that What I feel won't go away Just lookin' won't be near enough After today.

Everything I need is
Everything I see in you
I stayed long enough
To fall in love with you.

Oh, long enough to know that What I feel won't go away And just lookin' won't be near enough After today.

Everything I need is
Everything I see in you
I stayed long enough
To fall in love with you.

I stayed just long enough To fall in love with you...
