

If I Don't Love You (Grits Ain't Groceries)

George Jones

Well, you got my heart a-feelin' used and jumpy
The road of love is gettin' mighty, mighty bumpy
Tell me pretty mama have I filled your heart today?

Well, if someone knew your affiliated
Then it's makin' me feel like I'm outdated
If I don't love you grits ain't groceries
And that's another poor mans place.

Well, let me know honey, tell me what's a-matter
Lat me know what's on your mind
If I don't love you ain't a cow in texas
They raise 'em there all the time.

Well, I don't want to sound like I'm demandin'
I just wanta get a little understanding
If I don't love you grits ain't groceries
And that's another poor mans place.

Well, won't you tell me something, baby
Tell me what's a-matter
Let me know what's on your mind
If I don't love you ain't a cow in texas
They raise 'em there all the time.

Well, I don't want to sound like I'm demandin'
I just wanta get a little understanding
If I don't love you grits ain't groceries
And that's another poor mans place
