

# If You Believe

George Jones

Oh, the promise of tomorrow  
Will banish all your sorrow  
No need to grieve  
If you believe.

There will be a brighter future  
And a way prepared to suit  
Your every need  
If you believe.

If you believe (If you believe)  
So will it be  
It's true for you  
It's true for me.

Somewhere down that narrow road  
He'll relieve your heavy load  
Life's supreme reward receive  
If you believe.

If your life is not inspiring  
And your days are long and tiring  
Rest receive  
When you believe.

Nothing here on earth can measure  
Up to heaven's lasting treasure  
Be not deceived  
Only believe.

If you believe (if you believe)  
So will it be  
It's true for you  
It's true for me.

Somewhere down that narrow road  
He'll relieve your heavy load  
Life's supreme reward receive  
If you believe...
