

## It's OK

George Jones

It's okay that you are leaving, it's okay if you don't care  
It's okay that you are happy long as I don't interfere  
It's okay with me sweet baby, I've been fed up from the start  
It so fine to find another sucker, it's okay to break his heart

If you leave, I won't grieve  
Leave today, it's okay  
That's what you want, honky tonk  
It's okay, it's okay, it's okay.

It's okay you found another, it's okay if he wants you  
It's okay to leave tomorrow that just what I hope you do  
It's okay if your a cheater, it's okay if cheaters win  
'Cause it's best to be a loser when your in the shape I'm in.

If you leave, I won't grieve  
Leave today, it's okay  
That's what you want, honky tonk  
It's okay, it's okay, it's okay.

If you leave, I won't grieve  
Leave today, it's okay  
That's what you want, honky tonk  
It's okay, it's okay, it's okay...
