Jesus hold my hand I need the every art

Through this troubled land protect me by your side

Hear my feeble plea oh Lord look down on me

For I need your light to guide me day and night blessed Jesus h old my hand

As I travel through this troubled land there's a friend who walks with me

Guide me safely through the sinking sand it is the price of cal vary

This would be my prayer to Lord each day to help me do the best that I can

When I kneel and pray I hope to meet you there blessed Jesus ho ld my hand

Jesus hold my hand...

Blessed Jesus hold to my hand
