

## Life Turned Her That Way

George Jones

If she seems cold and bitter, I beg of you  
Just stop and consider all she's goin' through  
Don't be quick to condemn her for things she might say  
Just remember, life turned her that way.

She's been walked on and stepped on, so many times  
And I hate to admit it but that last footprint's mine.  
She was crying when I met her, she cries louder today  
So don't blame her, life turned her that way.

She's been walked on and stepped on, so many times  
And I hate to admit it but that last footprint's mine.  
She was crying when I met her she cries harder today  
So don't blame her, life turned her that way.

No, don't blame her, life turned her that way...
