## Life Turned Her That Way

## **George Jones**

If she seems cold and bitter, I beg of you Just stop and consider all she's goin' through Don't be quick to condemn her for things she might say Just remember, life turned her that way.

She's been walked on and stepped on, so many times And I hate to admit it but that last footprint's mine. She was crying when I met her, she cries louder today So don't blame her, life turned her that way.

She's been walked on and stepped on, so many times And I hate to admit it but that last footprint's mine. She was crying when I met her she cries harder today So don't blame her, life turned her that way.

No, don't blame her, life turned her that way...
