

Lifetime to Regret

George Jones

Tonight I'm all alone and broken hearted
A love we knew I never shall forget
And tell myself that lonely night we parted
I got a lifetime to regret.

They tell me you are happy with another
And I wonder if my memory lingers yet
The things I said the night we said goodbye, dear
Oh, I got a lifetime to regret.

If we could just erase the mistakes we made, dear
I'm sure we could find happy moments yet
But we can't change the past and I'm afraid, dear
That I got a lifetime to regret.

I know down in my heart that I'm forgivin'
'Cause I'm just like the fish caught in a net
I know true love is what mad my life worth livin'
I got a lifetime to regret
