

# Once A Day

George Jones

When you found somebody new, I thought I never would  
Forget you for I don't think, I ever could  
But time has takin' all the pain, away  
Until now, I'm down to hurtin' once a day.

Once a day, all day long  
And once at night from dusk to dawn  
The only part I wish you weren't gone  
Once a day, everyday day, all day long.

I'm so glad that I'm not like a friend I knew one time  
He lost the one he loved then slowly lost his mind  
He set around and cried his life away  
Lucky me. I've only cried once a day.

Once a day, all day long  
And once at night from dusk to dawn  
The only part I wish you weren't gone  
Once a day, everyday day, all day long.

Once a day, everyday day, all day long...
