

Release Me (From My Sin)

George Jones

Please release me, from my sin
Welcome Jesus, come on in
For only you can cleanse my soul
Release me from sin to sin no more.

Let me walk on sacred ground
Be the ? that you've found
Just lead me on through heavens door
Release me from sin to sin no more.

Send you spirit from above
And teach me your sweet ways of love
I seek for all you have in store
Release me from sin to sin no more.

Please release me, from my sin
Welcome Jesus, come on in
For only you can cleanse my soul
Release me from sin to sin no more.

Release me from sin to sin no more
