

The Shoe Goes on the Other Foot Tonight

George Jones

Oh, a shoe goes on the other foot tonight
We'll find out if two wrongs can make a right
Tonight I'll push my heartaches out of sight
'Cause the shoe goes on the other foot tonight.

How long did you think you could go on hurting me
And I'd be your fool and wait at home alone
Well you go out and I have your fun like you are free
Tonight I'll have some pleasures of my own.

Cause a shoe goes on the other foot tonight
We'll find out if two wrongs can make a right
Tonight I'll push my heartaches out of sight
'Cause the shoe goes on the other foot tonight.

Each time you walk out the door you walk on me
And you leave the door wide open for the blues
You fly away from me like you are free
You must think there's wings upon your shoes.

'Cause a shoe goes on the other foot tonight
We'll find out if two wrongs can make a right
Tonight I'll push my heartaches out of sight
'Cause the shoe goes on the other foot tonight.

Yeah. the shoe goes on the other foot tonight...
