Try It, You'll Like It

George Jones

If you have reached a point in life where nothing turns out right
If you always feel alone somewhere out in the night
Go and find someone to love and you will see a change
You will forget your troubles every time she calls your name.

Try it, you'll like it, love is all you need
Try it, you'll like it, and you'll see what I mean
Put you hand in loves hand it will see you through
Try it, you'll like it, love is good for you.

Romeo and Juliet proved that love is real
Valentino showed the woman just how love would feel
Yes he captured all the girls everywhere he went
They kept running back for more 'cause they knew what it meant.

Try it, you'll like it, love is all you need
Try it, you'll like it, and you'll see what I mean
Put you hand in loves hand it will see you through
Try it, you'll like it, love is good for you.

Try it, you'll like it, love is good for you
Try it, you'll like it, and you'll feel like I do
Put you hand in loves hand it will see you through
Try it, you'll like it, love is good for you.

Yes, try it, you'll like it, love is good for you...
