

Walk Through This World with Me

George Jones

Walk through this world with me go where I go
Share all my dreams with me I need you so
In life we search and some of us find
And I've looked for you a long, long time

And now that I've found you new horizons I see
Come take my hand and walk through this world with me

Walk through this world with me go where I go
Share all the dreams with me I've searched for you so

And now that I've found you new horizons I see
Come take my hand and walk through this world with me
Come take my hand and walk through this world with me
