

# **We Can Make It**

**George Jones**

We can make it.  
The world is rough but we can take it  
'Cause you're my shelter from the storm now  
I don't need wine to keep me warm now.

No temptation  
Can ever shake our loves foundation  
We're strong enough to take it  
We can make it.

Now we'll say  
Goodbye to stormy weather  
Safe within each others arms  
We can spend our lives together.

Love has found us  
And now it's chain is wrapped all around us  
And no one can break it  
We can make it.

Love has found us  
And now it's chain is wrapped all around us  
And no one can break it  
We can make it.

We can make it...
