

# Well It's All Right

George Jones

Well it's all right, it's all right  
Long as I've got my Lord beside me, well, it's all right  
Long as I've got his hand to hold, long as he's a watchin' over  
mysoul  
Long as everything's in his control, well, it's all right.

Moses said, it's all right  
When the chariots of Pharoah followed them in their flight  
While the Thebes devided in two Moses and the children walk rig  
ht through  
Through of wall of water on their left and on their right.

Well it's all right, it's all right  
Long as I've got my Lord beside me, well, it's all right  
Long as I've got his hand to hold, long as he's a watchin' over  
mysoul  
Long as everything's in his control, well, it's all right.

Well, David said, it's all right  
When the Goliath mocked him then he challenged him to a fight  
Little David said a prayer and then slung a little stone and do  
ne him in  
And the people said amen and praised the almighty's might.

Well it's all right, it's all right...  
Long as I've got my Lord beside me, well, it's all right  
Long as I've got his hand to hold, long as he's a watchin' over  
mysoul  
Long as everything's in his control, well, it's all right.

Daniel said, it's all right  
When they threw him in the lion's den that awful night  
While the hungry lion's walked about Daniel said Lord please he  
lp me out  
And the Lord has shut the lion's mouth and he shut it tight

Well, it's all right, yeah, it's all right  
Long as I've got my Lord beside me, well, it's all right  
Long as I've got his hand to hold, long as he's a watchin' over  
mysoul  
Long as everything's in his control, well, it's all right.

(It's all right, it's all right, it's all right...)
