

## What My Woman Can't Do

George Jones

It amazes me how she can change my mind  
When it seems to be impossible, she can do it every time  
And the way she's always loves me, she's got that down perfect  
too  
I keep asking myself what is it the lady can't do?

She brightens any room she walks inside  
And the way she comes in smiling you'd never think she ever cries  
She still looks as young and pretty as she did the day we met  
If there is one thing bad about her, I ain't found it yet.

What it is my woman can't do, can't be done  
If there's ever been a darling, I've got one  
She beats all I've ever seen, she's the champion of our team  
What my woman can't do, can't be done.

What my woman can't do, can't be done...
