

# Your Lying Blue Eyes

George Jones

Your lying blue eyes used to charm me  
Hypnotize me through and through  
Like a fool, Lord, I've been dreaming  
Your lying blue eyes just told on you.

Your lying blue eyes used to charm me  
Hypnotize me through and through  
Like a fool, Lord, I've been dreaming  
Your lying blue eyes just told on you.

All those stories I've been hearing  
I wouldn't believe that they were true  
But just this morning over coffee  
Your lying blue eyes just told on you.

For a long time I have loved you  
And I've thought you loved me too  
Now all questions have been answered  
Your lying blue eyes just told on you.

Your lying blue eyes used to charm me  
Hypnotize me through and through  
Like a fool, Lord, I've been dreaming  
Your lying blue eyes just told on you.

Your lying blue eyes just told on you...
