A Different Corner

George Michael

I'd say love was a magical thing I'd say love would keep us from pain Had I been there, had I been there

I would promise you all of my life But to lose you would cut like a knife So I don't dare, no I don't dare

'Cause I've never come close in all of these years You are the only one to stop my tears And I'm so scared, I'm so scared

Take me back in time maybe I can forget
Turn a different corner and we never would have met
Would you care

I don't understand it, for you it's a breeze Little by little you've brought me to my knees Don't you care

No I've never come close in all of these years You are the only one to stop my tears I'm so scared of this love

And if all that there is, is this fear of being used I should go back to being lonely and confused If I could, I would, I swear
