

# Don't Let the Sun Go Down on Me

George Michael

I can't light no more of your darkness  
All my pictures seem to fade to black and white  
I'm growing tired and time stands still before me  
Frozen here on the ladder of my life

It's much too late to save myself from falling  
I took a chance and changed your way of life  
But you misread my meaning when I met you  
Closed the door and left me blinded by the light

Don't let the sun go down on me  
Although I search myself it's always someone else I see  
I just allowed a fragment of your life to wander free  
But losing everything is like the sun going down on me

Ladies and Gentlemen Mr. Elton John

I can't find, oh, the right romantic line  
See me once and see the way I feel  
Don't discard me (baby don't)  
Just because you think I mean you harm  
(Just because you think I mean you harm, oh)  
But these cuts I have (cuts I have)  
They need love  
(They need love, they need love)  
To help them heal

Oh, Don't let the sun go down on me  
Although I search myself it's always someone else I see  
I just allowed a fragment of your life to wander free  
Cause' losing everything is like the sun going down on me

Don't let the sun go down on me  
Although I search myself it's always someone else that I see, y  
eah  
I just allowed a fragment of your life to wander free baby oh  
Cause' losing everything is like the sun going down on me
