Father Figure

George Michael

That's all I wanted, something special, Something sacred in your eyes, For just one moment, to be bold and naked At your side

Sometimes I think that you'll never understand me Maybe this time is forever, say it can be

That's all you wanted, something special, Someone sacred in your life Just for one moment, to be warm and naked At my side

Sometimes I think that you'll never understand me But something tells me together, we'd be happy

I will be your father figure (Oh baby) Put your tiny hand in mine (I'd love to) I will be your preacher teacher (Be your daddy) Anything you have in mind (It would make me) I will be your father figure (Very happy) I have had enough of crime (Please let me) I will be the one who loves you till the end of time

That's all I wanted But sometimes love can be mistaken for a crime That's all I wanted just to see my baby's blue EYES shine This time I think that my lover understands me If we have faith in each other Then we can be strong

I will be your father figure Put your tiny hand in mine I will be your preacher teacher Anything you have in mind I will be your father figure I have had enough of crime I will be the one who loves you till the end of time

If you are the desert, I'll be the sea If you ever hunger - hunger for me Whatever you ask for, that's what I'll be

So when you remember the ones who have lied Who said that they cared But then laughed as you cried Beautiful darling, don't think of me

Because all I ever wanted It's in your eyes baby, baby And love can't lie, no... (Greet me with the eyes of a child) My love is always telling me so (Heaven is a kiss and a smile) Just hold on, hold on I won't let you go, my baby

I will be your father figure Put your tiny hand in mine I will be your preacher teacher Anything you have in mind I will be your father figure I have had enough of crime So I am gonna love you till the end of time I will be your father I will be your father I will be your preacher I'll be your daddy I will be the one who loves you till the end of time
