

Freeek!

George Michael

You got yourself some action
Said you got yourself a body
You got yourself an ass with a mind of it's own
Brings something to the party

You got yourself addicted
You shoot up, it saves you time
You got yourself a paycheck
Faces on the places where the sun don't shine

I'll be your se**** freak of the week
I'll be your inspirational brother
Yo mama can't you see
I'll be your se**** freak of the week
I'll be your educational lover
Your one fuck Fantasy

Can I come on in, my sweet baby
Can I move on in (2x)

You got yourself some action
Said you got your sexy Java
You got your speed connection
Free chat, fuck that, get a little harder

You got yourself a big bed
You shoot off, take your time
In the house with a bitch and a mouse
And your daddy's plastic how fantastic yeah

I'll be your se**** freak of the week
I'll be your inspirational brother
Yo mama can't you see
I'll be your se**** freak of the week
I'll be your educational lover
Your one fuck Fantasy

Can I come on in, my sweet baby
Can I move on in (2x)

It's a tits and ass world you gotta be prepared
Come on kids, don't be scared
It's a tits and ass world you gotta be prepared
Come on kids,
