Hard Day

George Michael

Don't bring me down Don't bring me down Don't bring me down

I've never been one For playing games You can move your mouth forever But the words sound just the same Something like Bang bang you're dead Couldn't we just make love instead Say yes because it's what we do best And I've had such a hard day

Take me where their eyes can't find us Without you I may as well just...

How much - do I have to say What more - do you have to see What will it take to make you love me Well you're not the first You're not the last You're not even the one who loves me the best But all I think about is you

So take me where their eyes can't find us Without you I may as well just...

So take me where their eyes can't find us Without you I may as well just...

Don't bring me down Don't bring me down Don't bring me down

Please don't wander from my door

I've never been one For playing games You can move your mouth forever But the words sound just the same Bang Bang you're dead Shouldn't we just make love instead Say yes 'cause it's what we do best And I've had such a hard day

So don't bring me down Won't you give me a break Somebody give me a break now!

Don't bring me down Don't bring me down Don't bring me down

Sweet little boy with oh such a big mouth Harsh words can get you into hot water When people don't understand you baby I'm always here for you And I And I will never bring you down, down, down my baby Trust me I want you to trust me Oh trust me 'Cause I won't bring you down (Don't bring me down) I won't bring you down Do you trust me Yeah (return to top)
