Not everybody does it

There's things that you guess And things that you know There's boys you can trust And girls that you don't There's little things you hide And little things that you show Sometimes you think you're gonna get it But you don't and that's just the way it goes I swear I won't tease you Won't tell you no lies I don't need no bible Just look in my eyes I've waited so long baby Now that we're friends Every man's got his patience And here's where mine ends I want your sex I want your love I want your sex I want your ... sex It's playing on my mind It's dancing on my soul It's taken so much time So why don't you just let me go I'd really like to try Oh I'd really love to know When you tell me you're gonna regret it Then I tell you that I love you but you still say NO! I swear I won't tease you Won't tell you no lies I don't need no bible Jus tlook in my eyes I've waited so long baby Out in the cold I can't take much more girl I'm losing control I want your sex I want your love I want your sex I want your ... sex It's natural It's chemical (let's do it) It's logical Habitual (can we do it?) It's sensual But most of all ... Sex is something we should do Sex is something for me and you Sex is natural - sex is good

But everybody should

Sex is natural - sex is fun

Sex is best when it's ... one on one

One on one

(Huh sex) I'm not your father (Huh sex) I'm not your brother (Huh sex) Talk to your sister (Huh sex) I'm a lover
