

# Older

George Michael

I should have known  
it seemed too easy  
you were there  
and I was breathing you

strange, baby  
don't you think I'm looking older?  
but something good has happened to me  
change is a stranger  
you have yet to know

well you're out of time  
I'm letting go  
you'll be fine  
well that much I know  
you're out of time  
I'm letting go  
I'm not the man you want

I should have known  
it seemed so easy  
you were there  
I thought I needed you (you)

strange, baby  
don't you think I'm looking older?  
but something good has happened to me  
change is a stranger  
who never seems to show

so you're out of time  
I'm letting go  
you'll be fine  
or maybe you won't  
you're out of time  
I'm letting go  
I'm not the man that you want

I never should have looked back in your direction  
I know that  
just the same old fights again, baby  
these are wasted days without affection  
I'm not that foolish anymore

so you're out of time  
I'm letting go  
you'll be fine
