

# Outside

George Michael

I Think I'm Done With The Sofa  
I think i'm done with the hall  
I think i'm done with the kitchen table, baby

Let's go outside (let's go outside)  
In the sunshine  
I know you want to, but you can't say yes  
Let's go outside  
In the moonshine  
Take me to the places that i love best

So my angel she says, don't you worry  
'Bout the things they're saying, yeah  
Got no friends in high places  
And the game that you gave away  
Wasn't worth playing

Let's go outside  
In the sunshine  
I know you want to, but you can't say yes  
Let's go outside  
In the meantime  
Take me to the places that i love best

And yes i've been bad  
Doctor won't you do with me what you can  
You see i think about it all the time  
Twenty four seven

You say you want it, you got it  
I never really said it before  
There's nothing here but flesh and bone  
There's nothing more, nothing more  
There's nothing more

Back to nature, just human nature  
Getting on back to -

I think i'm done with the sofa  
I think i'm done with the hall  
I think i'm done with the kitchen table, baby

Let's go outside  
In the sunshine  
I know you want to, but you can't say yes  
Let's go outside  
In the moonshine  
Take me to the places that i love best

And yes i've been bad  
Doctor won't you do with me what you can  
You see i think about it all the time  
I'd service the community  
(but i already have you see!)  
I never really said it before

There's nothing here but flesh and bone

There's nothing more, nothing more  
There's nothing more  
Let's go outside  
Dancing on the d-train baby

When the moon is high  
And the grass is jumpin'  
Come on, just keep on funkin'  
Keep on funkin', just keep on funkin'
