

# Safe

George Michael

Sweet thing  
I know how strong that I appear  
but you don't know the days  
since someone loved me  
I stopped bleeding  
you came  
and led me through that door again  
you say you wanna stay  
but you don't know me (no you don't know)

you make me feel safe

someday  
my darkest fears will find their way  
after all  
somebody loves me (loves me, loves me)  
all day

my heart tells strangers how I feel  
and it's hard not to feel this way  
when you thought your future was on prescription  
(baby)

you make me feel safe  
you make me feel safe
