

Spinning the Wheel

George Michael

Spin the wheel
Five o'clock in the morning you ain't home
I can't help thinking that's strange
Baby I just want you to know I won't go through this again
Yes, those clouds are closing in

R: And I will not accept this as a part of my life
I will not live in fear of what may be
And the lessons that I learned ...
I would rather be alone than watch you spinning that wheel f
or me
You've got a thing about danger
Ain't you getting what you want from me
You've got a thing about strangers
Baby that's what we used to be
You've got a thing about danger baby
I guess that hungry just can't see
One of this days you gonna bring some home to me

Six o'clock in the morning you ain't home
I can't help thinking it's strange
It seems that everybody takes their chances these days
Oh yeah, we're standing in the rain

R: And I will not accept this as a part of my life...

How can you love me when you're playing with my life
You say give me time and I'll do better I swear
Give me time and I'll lead you back to despair
And I don't want to go back there
