Waiting (Reprise)

George Michael

Well there ain't no point in moving on until you've got somewhere to go and the road that I have walked upon well it filled my pockets and emptied out my soul

all those insecureties that have held me down for so long I can't say that I've found a cure for these but at least I know them so they're not so strong

you look for your dreams in heaven but what the hell are you supposed to do when they come true?

well there's one year of my life in these songs and some of them are about you now I know there's no way I can write those wrongs believe me I would not lie you've hurt my pride and I guess there's a road without you

but you once said there's a way back for every man so here I am don't people change here I am is it too late to try again here I am
