Wake Me Up Before You Go-Go

George Michael

You put the boom-boom into my heart
You send my soul sky high
When your loving starts
A jitterbug into my brain
It goes a bang-bang
Till my feet do the same

But something's bugging me
Something ain't right
My best friend told me what you did last night
You left me sleeping in my bed
I was dreaming but I should have been with you instead

R: Wake me up before you go-go
   Don't leave me hanging on like a yo-yo
   Wake me up before you go-go
   I don't wanna miss it when you hit that high
   Wake me up before you go-go
   'Cos I'm not planning on going solo
   Wake me up before you go-go
   Take me dancing tonight

You put the grey skies out of my way
You make the sun shine brighter than Doris Day
Turned a bright spark into a flame
My beats per minute never been the same

'Cos you're my lady
I'm your fool
It makes me crazy when you act so cruel
Come on baby lets not fight
We'll go dancing
Everything will be alright

R: Wake me up before you go-go...

Cuddle up baby, move in tight
We'll go dancing tomorrow night
It's cold out there but it's warm in bed
They can dance
We'll stay at home instead

R: Wake me up before you go-go...
