

# Almost All The Time

George Morgan

Ever since the day he took your love from me  
I've always said the time would set me free  
But it seems that I can find no peace of mind  
And I find I'm crying almost all the time

Almost all the time I tell myself I must forget  
Almost all the time and oh how I've tried but haven't yet  
[ steel ]  
I break down each time I see you on the street  
Inside it hurts each time that you don't see  
You don't miss me I don't ever cross your mind  
But darling I miss you all the time

Almost all the time...
