

## Beautiful Day for Goodbye

George Strait

Isn't it like her to look so pretty  
Like everything is alright  
Like nobody cried all last night  
Look at the sun, ooh how it's shining  
Almost a picture perfect day  
Like nobody's going away

If it were just a little colder  
She might need me to hold her  
Wouldn't you know, the weather's perfect  
There's not a cloud in the sky  
It ain't raining or snowing  
There's no cold wind blowing  
It's a beautiful day for goodbye

Isn't it like me to wait til she's leaving  
To know how I feel  
I love her and I always will  
In a second or more forever can change  
So I'm standing here praying for rain

If it were just a little colder  
She might need me to hold her  
Wouldn't you know, the weather's perfect  
There's not a cloud in the sky  
It ain't raining or snowing  
There's no cold wind blowing  
It's a beautiful day for goodbye

Wouldn't you know, the weather's perfect  
There's not a cloud in the sky  
It's a beautiful day for goodbye
