

## Cowboy Rides Away +tab

George Strait

I knew the stakes were high right from the start  
When she dealt the cards I bet my heart  
Now I just found a game that I can't play  
And this is where the cowboy rides away  
And my heart is sinking like the setting sun  
Setting on the things I wish I'd done  
It's time to say goodbye to yesterday  
And this is where the cowboy rides away

We've been in and out of love and in between  
And now we play the final showdown scene  
As the credits roll a sad song starts to play  
And this is where the cowboy rides away  
And my heart is sinking like the setting sun  
Setting on the things I wish I'd done  
Oh, the last goodbye's the hardest one to say  
And this is where the cowboy rides away

Oh, the last goodbye's the hardest one to say  
This is where the cowboy rides away
