

Dance Time in Texas

George Strait

It's dance time in Texas
And we're stricken up the band
Let's got honky tonkin'
Honey take my hand
It's dance time in Texas
Where the wine and music flows
We'll do that texas two step
And that ol' cotton I'd joe

I'll take you honky tonkin'
In my ol' pickup truck
It's dance time in Texas
And where the music lifts you up

It's dance time in Texas
And we're stricken up the band
Let's got honky tonkin'
Honey take my hand
It's dance time in Texas
Where the wine and music flows
We'll do that texas two step
And that ol' cotton I'd joe

Now it's time for a slow dance
And we're waltzin' it so close
It's dance time in Texas
And you the one I love the most

It's dance time in Texas
And we're stricken up the band
Let's got honky tonkin'
Honey take my hand
It's dance time in Texas
Where the wine and music flows
We'll do that texas two step
And that ol' cotton I'd joe
